

WOOD BADGE COURSE NS-347-16

MONMOUTH COUNCIL, BSA

Quail Hill Scout Reservation

Sept 17 – 19 & Nov 5 – 7, 2016

Why you should attend Wood Badge

Ask yourself these questions:

Do you see yourself in Scouting two years from now?

Are you trying to deliver the *Promise Of Scouting* to the youth in your unit or are you just filling a position?

Do you have ideas for improvements you would like to see in your unit? Do you want to leave behind a program better than you found it?

Is your time valuable enough that you want to make the most of it?

If you answered “Yes!” to any of these questions, Wood Badge is where you should be.

Every scout deserves the BEST trained leaders. We want you to be the best. The youth we serve deserve the best!

This course will give you a better understanding of scouting’s programs as well as a much better understanding of many leadership concepts – and hands on practical application. The tools learned here will help you in the leadership challenges you face.

Wood Badge is Scouting’s premier training course for adult leaders. It provides you with practical tools to form and fulfill your vision for improving scouting in your units. The quality of the scouting experience for Cub Scouts, Boy Scouts, Varsity Scouts, and Venturers depends on the skills, knowledge, and commitment of those adult leaders who have given their time and energy to the Scouting movement.

Wood Badge is the embodiment of the Scouting spirit. The course is carried out in the context of Scouting’s ideals and service to the young people who will benefit from your increased knowledge. The time on course brings out a deep dedication and spirit of brotherhood and fellowship to those who attend. Associations and friendships made during the course often last a lifetime.
