

WOOD BADGE COURSE N5-347-19

BOY SCOUTS OF AMERICA®
MONMOUTH COUNCIL

Quail Hill Scout Reservation
May 4 – 6 & June 1 – 3, 2019

Cubbers are your pack meetings a bit chaotic? Do your planning meetings go forever? Do you hear “we do the same things year after year”?

Scouters are your scouts running the troop? Do your PLC meetings run forever and not accomplish what is needed? Are your boys advancing?

Venturers. Do you want to plan better trips and activities? Does your crew want to be better trainers?

District/Council folks, do you want to get more volunteers? Do your meetings run forever and not accomplish what is needed?

If any of these issues strike home with you then Wood Badge is for you. Wood Badge provides you with contemporary skills to address most issues that you will come across in any Scouting program. Some of these skills are communications, project planning, idea generation, decision making, coaching, mentoring, managing conflict, training youth and leading change to mention just a few.

Don't worry there are some good old Scouting concepts taught as well such as running effective meetings, ceremonies of many kinds, and campfires, developing team work, value of competition and games, the patrol method and many more.

The Value of Wood Badge

Wood Badge teaches you many useful skills that can be applied as soon as you get back to your unit. **Wood Badge** is **practical**, it is **hands-on** and it is **relevant** to **your** Scouting **program**. By the way, these same skills can be applied outside of Scouting with the same wonderful outcomes.

Wood Badge Challenge

The Staff of N5-347-19 is confident that you will learn valuable skills that will be directly applicable to your unit. We challenge you to talk with a staff member, pose your issue and have the staffer tell you some of the skills you will be taught on the course that will help you with your issue.
